Program AI-3 : Concept 2 Activity

Use a search engine to find a website that can be used for this task. Look for websites with specific *words* and *phrases* we want the chatbot to understand.

Website –

What is the headline/title?	
Who is the author?	When was it written?
What is a 1-2 sentence summary of the article?	
What are at least 10 related words that a language model could learn from this article? For example: "Naan", or "Ounce", or "Bake", etc.
