

Navigator Weekly Newsletter

April 17-21

Reminders & Upcoming Dates:

- See our team blog for some VERY important information about 5th-6th grade transitions.
- 5th Grade class pictures will be available to purchase starting Monday. See blog for more information.
- We are in the home stretch of this school year! The last progress report time is coming up. You will be receiving an email from your child's teacher on Friday to check your child's grades in INow and email their teacher to let them know you saw the grades.
- Wear Purple on Friday, April 28th in honor of the students & families of military here at BGIS.
- PTO Fine Arts night will be Thursday, May 4th from 6-7:30pm.

Social Studies

we will begin discussing the causes of the Civil war this week.

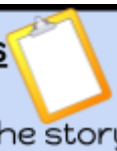

Math

We will be focusing on Unit 7 - Multiplying and Dividing Decimals. Our main focus will be on multiplying decimals.

We will have a Cumulative Review #21 for homework. We will also have a quiz on Friday.

Language Arts

Skills:. This week we will use the story, "In the Time of the Drums" to explain how sequence of events in a story provide the overall structure of the story. There will be a Reading and Vocabulary test on Friday, and there will be an IXL contract due Friday.

Science

This week we will continue our unit on Mixtures and Solutions/Matter. Our focus will be on concentrated versus dilute solutions, which will lead to us learning about density.
