## Self Reflection Form

### **Classroom Norm Expectations:**

- We participate in class discussions and activities with a positive attitude
- We complete and turn in our work on time
- We put forth our best effort on classroom assignments and challenge ourselves to work hard and learn something new
- We listen to teachers and peers in class discussions and are open to other people's ideas
- We are kind and respectful to our peers and teachers

**Directions:** Answer the questions below in complete sentences.

Tell us a classroom norm that you feel like you have modeled well for other students and explain why.

-----

-----

Looking at the norms, is there an area you feel you can improve in for next week? Why?

-----

-----

Explain your top accomplishment below. This can be a behavior, social, or academic accomplishment.

-----

-----

Using evidence from Powerschool, how do you feel you are doing at turning in your assignments?

-----

-----

**NOTE:** Please check **Powerschool** to see if your child completed his/her assignments.

Some skills I am working on in my			
-----------------------------------	--	--	--

<b>classes are...</b> (Math/Science, Humanities, and Art)	<b>Developing</b>	<b>Understanding</b>	<b>Achieving</b>
I can...			
Managed my time <b>effectively</b> by using a planning calendar to meet writer's workshop deadlines			
Improved my <b>writing skills</b> by using feedback from my first writing piece to set goals for my second writing piece			
Used <b>feedback</b> from exhibition to make improvements to the final draft of the movie			
<b>Collaborated</b> with my group to meet filming and editing deadlines			
Stay focused working through a difficult math problem with multiple solutions like <b>The Locker Problem</b>			
Write <b>algebraic equations</b> when given a situation (ex: $M + 45$ ).			
<b>Think deeply</b> about self-portraiture. For example: I can look at an artist's self-portrait and reflect on the <b>meaning of the art piece</b> (what the artist is saying about themselves and their personality)			
<b>Create a self-portrait</b> that illustrates not just what I look like, but who I am on the inside as a person			
Be <b>open minded</b> about trying new art styles (like self-portraiture) and talking and looking at other artists artwork			

**Developing:** I have **just started** making progress toward understanding and being able to implement this skill

**Understanding:** I am making **significant progress** toward understanding this skill and being able to implement this skill

**Achieving:** I **understand** this skill and can demonstrate it in my work
