

1. Atticus Diablowsky (Diego among friends, [atticusd at personal-view.com](http://atticusd.atpersonal-view.com)): I'm more than willing to shoot a segment in a yet unknown European location. I can assemble a small cast and crew but I'm completely opened to the idea of collaborating with someone else in the area when the time comes.
2. Driftwood - Resources = Everything possibly required inc. full crew. London to South East England.
3. Per Lichtman -L.A./Pasadena/Los Olivos. Resource list to follow, but in broad strokes, oversight, organization, script editing and music are all at the top.
4. B3Guy -Minnesota. Willing to shoot whatever. I'm out in the woods. Pine trees, river, etc.
5. Rudolph "Sanzadez" - L.A/O.C. willing to help out with any Los Angeles or Orange County based groups. Can provide equipment.
6. RRRR - Rasmus West, Umeå, Sweden. Access to the whole region around here, including neighbouring parts of Norway.. Nature porn galore + small towns e.t.c. Very particular light conditions during the summer. Right now I'm stoked with things to do; but if you have an idea, whatever it may be for these parts of the world, then I'll try to get it done..
7. TrackZillas - Connecticut / NYC - Anything around new england area I can shoot including NYC, Have a couple other shooters that work with me so they can be of help. Also if you guy's need script writers I could be of help as well working with two talented writers at the moment. I am a music composer / producer, so anything related to music as well I can help, Finally I run a music studio in Stamford, CT any voice overs works for me.
8. Bressonftw - Amsterdam / netherlands - willing to shoot some stuff, small cast & crew could be managed. Also some nice woods and plain fields nearby.
