

War of 1812 Memorial Task Card

Directions: With your partner, you will use the information from your C3.8 organizer and articles to design a War of 1812 Memorial Monument from the perspective of one of these specific groups: **The United States, Great Britain, Canada, or Native Americans.**

Your Memorial will include information that answers the essential question:

1. What were the social, political, and economic effects of the War of 1812 on _____? (fill in your group here)

Your poster should have:

1. A summary of the effects of the war that would appear on a plaque at your memorial.
2. A quote with a citation from one of the articles that would be on another plaque
3. A drawing/blueprint that shows the design of your monument with an explanation of what each part represents. This could be done by
 - a. Including labels on your image explaining each part
 - b. A summary at the bottom that explains the whole design of the monument

Rubric

Mastery A	Basic Mastery B	Approaching C	Beginning D
Poster includes all requirements and the explanations are complete Both people can completely explain all parts of the poster	Poster is missing minor requirements Both people can partially explain the poster	The poster is missing some requirements Only one person can explain the poster.	Poster does not meet most requirements from the task card Only one person can partially explain the poster.
