Brief CVs of team members (please attach a PDF).

If you are a single-domain team (only land robots, or only air robots), do you wish to team-up before the competition to create a double-domain team? If so, do not forget to fill and send also the "Team Match Form".

Yes: ____ No: ____

NOTE: to further promote double-domain teams, single-domain teams wishing to be matched up will be given priority over teams that register as single-domain only.

I attach to this form the following number of vehicle's specification sheets:

____ land robots ____ air robots

Send form to: erl2022poznan@googlegroups.com

NOTE: The information in this form, except the contact details, proof of citizenship and CVs, will be published on the website. If you wish to keep some information private, please let us know.
