

Privacy Policy

Last updated: February 23, 2024

This Privacy Policy describes how [Your Company Name] ("we," "us," or "our") collects, uses, and shares your information when you use our AI Chatting App (the "Service").

Information We Collect

We collect the following types of information when you use our Service:

1. Information you provide directly:

- Personal information such as your name, email address, and any other information you provide when you register or interact with our Service.
- Messages, queries, or other content you provide while using the Service.

2. Information collected automatically:

- Usage information such as your IP address, device information, and browsing activity collected through cookies and similar technologies.

How We Use Your Information

We use the information we collect for the following purposes:

1. To provide and improve our Service, including personalized responses and recommendations based on your interactions with the app.
2. To communicate with you, respond to your inquiries, and provide customer support.
3. To analyze trends, track usage data, and improve the functionality and performance of the Service.
4. To comply with legal obligations and enforce our terms of service.

Information Sharing and Disclosure

We may share your information in the following circumstances:

1. With third-party service providers who assist us in operating our Service, conducting our business, or servicing you, subject to confidentiality agreements.
2. In response to a legal request, such as a subpoena, court order, or government demand.
3. To protect our rights, property, or safety, or the rights, property, or safety of others.

Your Choices

You can choose not to provide certain information, but this may limit your ability to use certain features of the Service.

Security

We take reasonable measures to protect your information from unauthorized access, use, or disclosure.

Changes to this Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.
