

High School Second Semester Reopening, January 2021

Maintaining our schedule is contingent on active CAC cases remaining below the threshold in the COVID-19 Operational Manual. To ensure the health and safety of our community, at any time CAC may pivot back to more restrictive measures that could require e-learning of a class, grade, division, or all school with little notice.

Week of January 31: All HS students attend five days a week, resuming regular 8-day rotation.
