## Professional career

**Laurent Cappelletti** is master graduate in finance from EDHEC Business School and holds a Ph.D. in management sciences from the University of Lyon (France). He began his career as a financial auditor for KPMG and then he was assistant professor at the university of Lyon. Since 2011, he is chair professor in accounting and management control at the French Conservatory of Arts and Crafts (Le Cnam, Paris) where he heads both the master program in accounting, auditing and management control and the College of Chairs. He is also researcher at the LIRSA laboratory of research, director of intervention-research programs at ISEOR research center and coordinator of the Tetranormalization international research network. He has made more than 200 publications in his fields including 11 books (his last one is: *Intervention-Research. From Conceptualization to Publication, IAP (USA), 2018*) and thirty articles in ranked academic journals including *Comptabilité-Contrôle-Audit, Management Accounting Quarterly, Action Research*. He was twice awarded best paper by the Academy of Management (USA). He is also co-editor in chief of both French academic review: *Recherches en Sciences de Gestion–Management Sciences–Ciencias de Gestión* (RSDG) and *Audit, Comptabilité, Contrôle, Recherches Appliquées* (ACCRA).
