

## **List of Units**

[Unit 1: Introduction](#)

[Unit 2: Getting Acquainted with Vehicle](#)

[Unit 3: Start, Steer & Stop](#)

[Unit 4 Traffic Control Devices](#)

[Unit 5 Vision & Space Management](#)

[Unit 6 Physics & Basic Maneuvers](#)

[Unit 7 Different Driving Environment](#)

[Unit 8 Sharing the Road](#)

[Unit 9: Effects of Distractions](#)

[Unit 10: Adverse Conditions & Emergencies](#)

[Unit 11: Impaired Driving](#)

[Unit 12: Fatigue & Emotions](#)

[Unit 13: Travel Planning Loading & Towing](#)

## Unit 1: Introduction

- General knowledge
- Risk Awareness

## Unit 2: Getting Acquainted with Vehicle

- Pre-Entry Check
- Area Around Vehicle
- Safety Restraints
- Vehicle Technology
- Vehicle Devices:
- Safety communication comfort
- Convenient Control
- Pre Driving Procedures
- Mirror Setting:
- Traditional / Enhanced
- Vehicle Reference Points
- Vehicle Owner's Manual

## Unit 3: Start, Steer & Stop

- Mirror Setting:
- Start Procedures/Move Forward
- Steering: Push Pull/Hand to Hand, Hand over Hand
- Leaving the Roadway/Enter the road
- Stopping & Securing the Vehicle
- Backing

## Unit 4 Traffic Control Devices

- Signs
- Signals
- Pavement Markings
- Laws pertaining to S, S, PM

## Unit 5 Vision & Space Management

- Vision & Perception Requirements
- Vehicle Operating Space
- Stopping Distance
- Space Management-SEE
- Lane Position
- Divided Attention
- Turnabouts:
  - 3 points-on street,
  - on Right, on Left
  - U-turn

## Unit 6 Physics & Basic Maneuvers

- Natural Laws
- Intersections (turns, stop positions)
- Lane Changes
- Parking: on hill:
  - Parallel, Curbside
  - Angle, Perpendicular
- Passing
- Being passed
- Passing on Right

## Unit 7 Different Driving Environment

- Expressway / Freeway/ Interstate
- Urban Roads
- Rural Roads
- Laws Specific to Environment
- Speed limits
- Move over law
- Route Markers
- Weave lane right-of-way
- Roundabouts

## Unit 8 Sharing the Road

- Pedestrians
- Bicycles
- Motorcycles, Mopeds, Scooters
- Large Vehicles
- Emergency Vehicle
- Trains & Public Transit
- Construction Vehicles
- Work zones
- Buses

## Unit 9: Effects of Distractions

- Definitions of Distraction
- Common Distractions:
  - Inside the vehicle
  - Outside the vehicle
- Preventing Distractions BEFORE Driving
- Addressing Distractions WHILE Driving

Dangers of Distracted Driving-Campaign

## Unit 10: Adverse Conditions & Emergencies

- Changing Weather
- Conditions of Visibility
- Night
- Advance Auto Technology
- Changing Traction conditions
- Emergency Recovery (off road)
- Consequences of a crash
- Vehicle Malfunction
- Collision Reporting

## Unit 11: Impaired Driving

- Saying No
- Alcohol Related Crash Problem
- Laws & Penalties
- Effects of Alcohol
- Alcohol Elimination
- Drugs other than Alcohol

## Unit 12: Fatigue & Emotions

- Cause & Effects of Fatigue
- Emotions
- Aggressive Driving
- Road Rage
- Anger Management
- Responding to Aggressive Driving
