

Photographer Portfolio Website Questionnaire

General Info

- • What's your full name or business name (as you want it displayed on the site)?
- • Do you have a logo like to use?
- • What's your preferred title? (e.g. Film Photographer, Portrait Photographer, Fine Art Photographer)
- • Do you want a tagline under your name? (e.g. "Capturing timeless moments on film.")

Portfolio Section

- • How many images do you want to show in your portfolio – can only show 25 for now, extra if you want more?
- • Can you provide all final, web-optimized images (ideally under 1 MB each)?

About Section

- • Write (or provide) a short paragraph about yourself — what drew you to film photography?
- • What makes your work unique? (e.g. specific camera, technique, mood, subject style)
- • Do you want to include a photo of yourself?
- • Should I include where you're based (city or country)?
- • Do you want to list awards, exhibitions, or notable projects?

Services Section (goes under About Section)

- • Do you offer photography services for hire (portraits, events, weddings, etc.)?
- • If yes, what types of sessions do you offer and what are starting prices?
- • Are you open to travel assignments?

Contact + Social Links

- • What's your preferred contact email?
- • Would you like to include a phone number?
- • Do you have social media links to include? (please share full URLs for each)

Extras

- • Should I include a copyright footer? (e.g. © 2025 John Doe Photography)
