

Chapter Number: 20291

Project Title

Gifting Books and Building Home Libraries for Young Children in Partnership with Dolly Parton's Imagination Library of West Michigan

Name of organization or cause you are supporting

Dolly Parton's Imagination Library of WestMichigan*

*these words are squished together to meet character count limit

Tell us about your project

I will be supporting Dolly Parton's Imagination Library of West Michigan which delivers high quality, age-appropriate books to enrolled children in Cedar Springs, MI. My project will pay for books that will be delivered during the month of January, which helps children build free home libraries.

As a volunteer of DPILWM, I help market this program to eligible families through online and in-person registration events, process new child enrollments, and manage the monthly book orders.

Project Start Date

First of the month

Project End Date

Last of the month

Where will your project take place?

My project will support children who live in Cedar Springs, MI and are receiving books through the Imagination Library. Books are delivered directly to each child's home so they can experience the joy of getting a gift in the mail that is addressed to them personally.

If awarded, how will you use the \$200 in funding?

My project will pay for the postage and the wholesale cost of approximately 90 books which are delivered to enrolled children through Dolly Parton's Imagination Library of West Michigan during the month of January.

Estimated number of volunteers that will assist you with this project. (includes members and non members)
