<u>State Immunization Requirements for 12th grade, 2026-2027</u>	All incoming 12th-grade students are required to show proof of having received the second booster of the Meningococcal ACWY / MCV4 vaccine or 1 vaccine if the first was given at or after the age of 16. This is due by the beginning of the 12th grade school year. Please be aware this school requirement is NOT the Meningococcal B vaccine that your child is recommended to receive as well. Upcoming 12th graders participating in fall activities/sports that are also doing summer activities/conditioning must have the records turned prior to May 31, 2026. Students attending any Great Oaks School are also required to have the Meningococcal/MCV4 Immunization prior to the start of the school year 2026/27. Please call your doctor for further questions regarding the vaccines. Your child could have already received these immunizations, and we need the documentation. If your student has not received this vaccination then please schedule an appointment now if necessary! These immunizations are required by Section 3313.671 and 3701.13 of the Ohio Revised Code. Proof of completed immunizations is required by the start of the 12th grade school year. We kindly ask you to upload an updated copy of your child's immunization records from your child's doctor or from MyChart to your child's immunization folder in final forms so we can process the immunization documentation. Thank you for your help with this matter. If you have any questions, please call Peg Ruff RN at 513-467-7107. Completed Immunization Documents need to be turned in to the OHHS Nurse. The Nursing Department can be reached at 513-467-7107 7a-3p, on school days if you have any questions. The Fax number at OHHS is 513-964-0282 Or email Angela Streithorst LPN @ streithorst_a@ohlsd.org or Peg Ruff RN ruff_p@ohlsd.org.
<u>School Hours</u>	The commons will be open for students starting at 6:45 am each day. Students will not be permitted to enter the rest of the building until 7:40 am. The only exception will be when they have worked with their teacher or coach to enter the building early, and in that case the staff member will have submitted their name to the supervisory staff in the commons. Students hanging out in the commons between 6:45-7:40 a.m. will be required to sit in a seat at a table and the server will have breakfast items for sale. Students will be released from the commons at 7:40 a.m. First Bell begins at 8:00 a.m. There is a staggered dismissal this year. Seniors and Juniors will be dismissed at 2:40 p.m. and all remaining students will be dismissed at 2:48 p.m. The building closes at 3:00 p.m. in the afternoon unless the student is with a supervised activity.

We have set up a forum via a Facebook Group called the OHHS Transportation Collaborative. The purpose of this forum is to provide a setting where parents can seek transportation of their students from other parents. The hope is parents in close proximity can work together and create car pools for their students. Please note, this is just a forum that we will moderate, but Oak Hills Local School District cannot provide any additional transportation to OHHS at this time. Please join if you are seeking a ride and/or are willing to provide a ride for another student. Thanks! #highlanderstrong
