Website: Planetpeople.org

The Patrons Program exists to encourage and facilitate philanthropic donations of Planet Pack. Every Planet Pack comes with Planet Picker long pick-up tongs. This program provides volume discounts to philanthropists who desire to make a larger impact.

Schools, Libraries, Senior centers, rec centers, eco museums, and other non profit environmental groups have requested Planet Packs.

How the Patrons program works

Planet Patrons decide how many packs they want to donate. They may also choose the organizations, schools, libraries, etc where they hope to see Planet Pack. Or they can choose to leave the placements to Ken and the Planet Pack team.

In the case of schools, Ken has a growing list of schools requesting Planet Pack. Ken will place Planet Pack in schools, Introduce litter pick-up, and motivate students about recycling and zero waste living concepts.

Co-branding opportunities

Planet Pack's high visibility and solid pack color make it excellent for branding. Patrons donating 10 or more packs may choose to display their logo beside the Planet Pack logo to demonstrate their commitment to this mission. A 8" by 3" rectangle is available for your logo.

COSTS	
10-24 Packs: \$70.00/pack	Co-branded: add \$9.00/pack
25-59 Packs: \$65.00/pack	Co-branded: add \$6.00/pack
60-119 Packs: \$63.00/pack	Co-branded: add \$4.00/pack
>119 Packs: \$60.00/pack	Co-branded: add \$3.00/pack
