

Update

Reflect on your developments since the last meeting and fill in the boxes below. Take into consideration:

- Major challenges or opportunities confronting you in the next 30 days
- Action to be taken in the next 30 days
- An update to an issue you've shared before
- An issue you'd be willing to present to chapter members

| | What's happened since last check in? | What's on the horizon? |

Now, reflect on what you've written above.

Of the above, what do you **most want to share** with the group?

What issue is in a **"pre-decision"** mode - you are still weighing options - and **"non-rational"** - it can be solved in many different ways?

How **urgent and important** is this issue? (Write a short headline & place on grid)
