Dear Friend,

First and Foremost the Lafayette Lions Club wishes to *Thank You* for your sponsorships and donations of the past years. It is your monetary support that makes it possible for us to serve our community. The following are accomplishments made possible through your kind generosity.

- We screened 2,000 children **for** vision (eye) **problems.. Most of them are** in the **1-6** year age **range**. Out **of the** children screened 65 were referred to seek **professional** help.
- You **sponsored** 11 kids to attend **The Louisiana** Lions Camp. The Lions Camp is **a** weeklong **special needs** camp for children with various **handicaps**. **These camps** are completely free to the family including transportation.
- We **processed** 104 **candidates for** eye exams **and provided** 51 **pairs of glasses**.
- Our club collected over 3,500 pairs **of used** eye **glasses** for recycling **in 2022-2023**.
- We provided 400 **pairs** of recycled **glasses** for a Mission in Honduras, in partnership with Saint **Barnabas Episcopal** Church.

Once again, we are reaching out to you for support. Our goal for 2024-2025 is to raise a minimum of \$8,000. This year we plan to strengthen our club and impact more of the local citizens with our services. The first event on our calendar is Vision Screenings in several elementary schools and daycare centers, and at local community events. You will *see* our club members in the community volunteering with local charities, offering *free* eye screenings and accepting applications for eye glasses and camp attendees.

The Lafayette Lions Club was recognized by the Louisiana Lions Eye Foundation for the Most Vision Screenings and Vision Referrals for District 8-0 at the 2023 State Convention..

Please sponsor our efforts and help us make a difference in the lives of people in need..

Sincere thanks,
Susan Kerry, President
