

De Pere High School

"It's a GREAT day to be a Redbird!"

Press Release - De Pere Hires Boys Lacrosse Coach

August 21, 2025

De Pere High School is pleased to announce the hiring of Hayden Fredriksen as head coach of the Varsity boys lacrosse team, a co-op program with West De Pere High School.

Fredriksen replaces Charley Jacobs, who resigned after 10 seasons as the Head Coach with the De Pere Central Ghostbirds.

Fredriksen, who played collegiately at UW-Stevens Point, was an assistant coach at De Pere from 2019-2021. Prior to that he coached at Neenah High School. He also co-founded FXLX Lacrosse, a low-cost club program that gave athletes access to competitive play.

"Coach Fredriksen has the energy, enthusiasm and talent to take over the lacrosse program. We're excited and fortunate to have him on our team!" said Jeff Byczek, De Pere Athletics Director.

The Redbirds are coming off a 2025 season during which they compiled an 8-9 overall record.

"Coach Jacobs built a really strong foundation for this program, and I'm thankful for his leadership. I believe that De Pere Central has the talent, community, and potential to compete at a high level while giving young men a great experience playing the sport I love. I'm honored to be leading this program and excited to get to work."

Coach Fredriksen can be reached at haydenfredriksen@gmail.com.
