SUGGESTED FW22 MARKDOWN SCHEDULE

Please note that the schedule may be subject to change due to possible shipping constraints.

20-30% off: December 2022

31-50% off: January 2023

Up to 70%: February 2023

Please share the above information with our wholesale partners during the market, and we ask you to monitor their discount activities throughout the season.

For our e-comm webstore, **please make sure to inform us of the start date and markdown styles before going on seasonal sales.** It is extremely important to have sales and marketing alignment globally, and we appreciate your cooperation.

Please let us know if you have any questions or concerns.
