Additional Questions, Comments, or Concerns-

Fall Fest Thank You

We would like to extend a huge thank you to all of the parents and volunteers who helped make our Fall Fest on October 17 such a tremendous success.

We would also like to thank everyone who participated in our Scarecrow Contest. The creativity, effort, and school spirit displayed in each entry were truly impressive. The scarecrows added so much fun and excitement to the event and helped make this year's Fall Fest especially memorable.
