

CSS Helpful Hints and Friendly Reminders

Thank you to everyone for your patience and understanding with the arrival and dismissal of students. We appreciate everyone working together to allow for the smoothest start and end to our school day.

Student Arrival

Kindergarten and morning preschool arrival begins promptly at 8:30 AM

Afternoon preschool arrival- 12:15 PM

If possible, please consider having students exit vehicles on the side of the vehicle closest to school/sidewalk. We recognize this is not always possible given siblings, etc, but have noticed it makes for a smoother drop off for students.

As a reminder, please do not pass buses and/or vans when lights are on. This means students are actively loading and unloading from vehicles and it is not safe to pass.

We are doing our best to keep vans up near the front of the building. This will allow vehicles dropping off/picking up to turn and leave without going around the circle and passing vans.

Late Arrivals

Arriving after 8:50 AM

Arriving after 12:30 PM (afternoon preschool)

Walk your child into the school and sign in at the office.

End-of-Day/Student Pick-Up

Morning Preschool Dismissal- 11:00 AM

Afternoon Preschool Dismissal- 2:45 PM

Kindergarten Dismissal- 2:55 PM

As a reminder, PK dismissal is at 2:45. We try to have our PK pick-ups head up first as these are our littlest learners and have a harder time waiting. If K pick-ups could try to get into line at 2:45 or so, this would help us dismiss PK in an efficient and timely manner.
