

Hi,

I'm [], and I assist construction businesses.

You guys are doing a fantastic job putting up new offers and letting your audience know on IG about the work.

I conducted a deep analysis on your current marketing strategy to look for opportunities that can improve your client rate along with your online presence.

There are several flaws which have put your business at a disadvantage. Like, Your online presence on IG does not engage properly with your target audience and the designed landing page or the writing on the website isn't quite capable of retaining attention. I'm here to help. A solution I've constructed specifically for your kind of market:

Attention Grabbing and Monetizing Solution

This solution which'll not only bring you more business but take away from your competitors. If you're interested, we can hop on a quick call by this weekend to go over the details.

Regards,
