

FLOOD BROOK SCHOOL

91 Vermont Rte 11 Londonderry Vermont 05148

802-824-6811

Dear Parents and Guardians,

The Lion's Club of Londonderry will be coming to Flood Brook with their Welch Allyn Vision Screening cameras on Monday, November 13 to perform a vision screening. The state requires that grades K, 1, 3, 5 and 7 are screened for both vision and hearing.

This machine tests for vision abnormalities and can detect up to seven different eye conditions in less than a minute per child. Students will be identified to the Lion's volunteers by their student ID number only. All of the volunteers have had a criminal background check. The teachers will be present with the students during the screening.

Students who have an abnormal result will be sent home with a form detailing their results with a recommendation to schedule a complete eye exam with their eye specialist.

If you choose to "opt-out" your child from this screening, please send me an email by Friday, November 10th. Please feel free to contact me with any questions. We will also be scheduling hearing screenings soon for the above mentioned grades.

Holiday Gifts!!!

We have many parent sponsors signed up to support Flood Brook families with gifts for the holidays for children 0-17 in your household. If you are interested in this wonderful program and would like support with gifts this holiday season, please fill out this [link](#) by November 10, 2023. This is intended for families who are not signed up through Flood Brook already or the Londonderry Congregational Church.

With gratitude,

Nurse Jess
