

Hey []

I recently saw your page on a story ad, I really love your Hoodies and your page.

And as long as I'm a copywriter and marketer, I came up with an idea for a marketing strategy that could significantly increase the sales of your clothing brand.

I formulated an Instagram reel ad script aimed at attracting more visitors to your page, leading to increased sales of your clothing brand.

Here is the work I've done for you:

If you find value in my work I'd be excited to set up a call with you to delve into potential projects and discuss strategies for enhancing the recognition of your clothing brand and reaching a larger audience.

I'm available to chat this week, let me know what time works best for you.

Thank you for your time.
