

# Got Talent: All-Stars (a.k.a. SGT:AS) Summary by Telsa Module(泰爾莎·摩究) a.k.a. Jachotw2000

## Host and Judges

Santi Millán returns as host, with Risto Mejide, Edurne and Paula Echevarría return as judges. Each week there will be guest judges: Fernando Tejero, Leo Harlem, Jorge Blass, Dani Fernández, Carlos Areces and Luis Zahera serve as guest judges in Preliminaries, and TheGrefg serves as guest judge in Final.

## Format

There will be six Preliminaries and a Final. Twelve acts per Preliminaries, with two of those moving on to the Final. Preliminary guest judges get to press the golden buzzer for one act, sending it directly to the Final. After every act finishes performing, the studio audience will vote, producing a Top 3 of the week. One of the judges then chooses one of them to advance to the Final.
