

# STOP SYLVAN SOLAR

Protect Our Community • Protect Our Land •  
Protect Local Control

## PROJECT OVERVIEW

The proposed **Sylvan Solar Project** is a massive utility-scale development spanning thousands of acres across **Garfield and Sheridan Charter Townships**. While Garfield Township has officially said **NO**, the developer will likely look to the State of Michigan (MPSC) to override our local decision and force the project through.

## WHY WE OPPOSE:

- **Loss of Farmland:** Converting thousands of acres of productive agricultural land into an industrial zone.
- **Property Values:** Potential negative impacts on the value and marketability of neighboring homes.
- **Environmental Concerns:** Risks to local tile drainage systems, wildlife habitats, and rural character.
- **State Override:** We believe local land-use decisions should stay with the people who live here, not state bureaucrats in Lansing.

## WHAT YOU CAN DO:

- **Join our Facebook groups:** Scan the codes to the right or search for our groups to stay informed. We also have email templates you can send to legislators and township officials.
- **Visit our website:** Scan the code or search for [stopsylvansolar.org](https://stopsylvansolar.org) and become a supporter.
- **Attend the community meetings:** Show your support by attending township meetings and share your concerns.
- **Contact us:** Email us at [stopsylvansolar@gmail.com](mailto:stopsylvansolar@gmail.com) for more information or to sign up for updates.
