

Part 3 - The Not-So-New Covenant - PASSOVER TIMING and REQUIREMENTS

11/09/25

- [00:00](#) Not on the You can stay seated. Thank you. We're not on the uh priest or the the temple calendar. We're on the priestly calendar. So, our Passover is always a day earlier than the Jews Passover because of the 14th of Ov and the 15th of Av. So even though I understood last year at last Passover how to correctly calculate everything, one thing that always I just could not get it. Where I wanted it was on our calendar, we always have the blood >> before the death. And even though I understand we're on the Zedekite calendar and he did drink the or present the blood on the 14th correctly, I just had a thing in my brain that kept saying, "How can you have blood if the lamb is not dead yet?". >> Okay, I don't know if that's ever bothered you before, but it always was in the back of my brain. I have struggled for years over this timing issue because I c I didn't know how you could have the blood without because he didn't die till the next day which was the 15th of O. Okay. >> Now we know now why he died on the 15th of O for the what? Abrahamic covenant. >> Okay. But the lamb's supposed to die on the 14th, right? >> Okay. And the Lord spoke to me and said these words and it shook my foundation. He said, "Show me one place where I said the lamb had to die on the 14th.". Now, this is fixing to go against everything every messianic teacher teaches. Okay. I said, "Okay, I'll show you where it says the lamb has to die on the 14th.". Let's go to Exodus 12:13. This is only going to take a minute, so don't get nervous. >> Only going to take a minute. I'm just fixing to mess up the whole messianic movement. >> Say it again. >> No, Passover don't change at all. Just our understanding of it. No, she said I might have to change all my plans. Before we read this, let me give you an analogy, >> Elder Morgan. If I tell you, tomorrow I'm going to pass by your house. If there is a picture of wellwater on your front porch when I come by, then I'll know you want me to stop and have lunch with you. If there's a picture of wellwater, if I see the picture of wellwater on your porch, I'll stop by. Okay. Now, the people on Zoom is eyeballing me like, "Where is he going with this?". >> Fixing to make it make sense. >> Finally, after 2,000 years, it's going to make sense. Now, did I tell you if you go to the well, drop a bucket down there, and pull up the well water that I would stop and have lunch with you? >> No. Is that what I didn't say? Okay. All All I said to you was if I see >> the wellwater on your porch, I'll stop by. Amen. >> Now, I didn't tell you if you how to get it. I didn't tell you if you go and turn the crank, drop the bucket, bring it up, then I'll stop and eat with you. I I I didn't care how you got the water on the porch. I didn't tell you I would stop by according to how you got the water. I said I'll stop by if I see the water. >> Hallelujah.

- [04:52](#) >> So, let's read. What's actually required on the 14th day of the first month. Exodus 12 and 13. And the blood will be a sign for you on the houses where you are. And when I see a dead lamb, >> the blood, not a dead lamb. >> I'll give y'all a few minutes. >> When I see a dead crucified lamb, I will pass over you. The only reason a lamb had to be crucified on the 14th >> back then that was the only way to get the thing that was required for the 14th which is the blood. >> God spoke TO ME AND SAID YOU SHOW ME WHERE I ever said you've got to kill a lamb. I SAID, "YOU'VE GOT TO GET THE BLOOD.". >> NOW, watch this. And that THE BLOOD, NOT THE DEATH OF THE LAMB. God spoke to me. Y'all been focused on the death of the lamb. He said, "I don't care how you get the blood.". But the only way you can get the blood, you got to get the lamb. BUT I'M NOT STUDYING. I'M NOT LOOKING FOR THE LAMB. >> OH, come on now. >>. And that's why when we get over in the New Testament, WE'RE LIKE, "NO, HE HAS TO DIE ON the 14th.". So we can get the blood. That's not what he said. No, no, no, no, no, no, no. We read into that. >> We have added to the word. >> Oh, when God showed this to me, I ran out of my room. 2,000 years. No one's understood this. Everybody thought he had to die on the 14th day. No. On the 14th day, here's what he had to say. This is my blood. AND THAT'S EXACTLY WHAT HE presented on the 14th day of the first month. Hallelujah. >> HE DIDN'T HAVE TO DIE. OH NO. THE MAN THAT TURNED WATER INTO WINE TURNED WINE INTO BLOOD. AND ON THE 14TH DAY, WE DON'T NEED A CRUCIFIXION. WE NEED A SON OF GOD THAT WILL PROPHECY THIS IS BLOOD. >> HALLELUJAH. >> And that's why these messianics is against the Zetekite calendar >> BECAUSE WE GOT TO GET CHRIST CRUCIFIED ON THE RIGHT DAY. NO, WE DON'T EVEN NO, NO, WE DON'T EVEN NEED HIM CRUCIFIED. HE'S GOT TO. Be crucified on the 15th OF O FOR THE ABRAHAMIC COVENANT, NOT FOR PASSOVER. >> OH, NO. >> OH, NO. >> NO. This ministry just solved a mystery that has baffled the minds of everyone for thousands of years. How could we GET THE BLOOD IF WE DON'T HAVE A DEAD LAMB? BECAUSE WE'VE GOT A PROPHET THAT PROPHESED, "THIS IS MY BLOOD. >> You don't have to die on Passover.". >> And let me show you something else. The Lord showed me. >> Let's read it. I've got just a minute. I'm gonna go home now. Where did we get he had to die on the 14th. From? >> Oh, because that's when they killed the lamb. I understand. They didn't have a prophet that could turn water into wine >> and wine into blood. Ain't that funny? We all scream, "Amen. HE TURNED WATER INTO WINE.". BUT IF HE SAID, "THIS wine is my Oh, no. What?". When did his power change? >> Hallelujah. >> If the man can take Kool-Aid or water >> and say, "This is wine.".

AND EVERYBODY ELSE SAID, "YOU KNOW WHAT? THIS IS THE BEST WINE WE'VE. Ever. Had. >> Then he can take a cup of wine and turn it into his blood."

- [09:38](#) Oh, yes, he can. Oh, that's why he didn't have to die on Passover. He didn't need to die on Passover. He needed to die on the 15th of O for that Abrahamic covenant to be finalized. Woo. >> Come on now. >> Let's read about it. Luke, and before we go on any further, let me give you something else we missed. >> Oh, and it's all in this book. You're going to want to read it. Y'all don't understand the power in these books that y'all walk by and don't pick up. >> There's so much stuff in these books, honey. >> You ought to be reading one every day. >> For some reason, we thought, and I don't know where we got it from, that we kill the lamb on the 14th, get his blood just before sunset because sunset starts the 15th of O. So, we want a dead lamb on Tuesday >> so we can drink his blood that evening. And for some reason, we thought that's when we had to have the blood applied. But if you'll go back and read your Bible carefully, it tells you that in the evening you are to kill that lamb and get the blood. It does not tell you when you have to apply it to the doorpost. Watch this. As long as midnight don't sneak up on you because he said at midnight. I'm going to send the death angel as long as you apply the blood before midnight. AND IF YOU'LL GO READ THE GARDEN OF GETHSEMANE, THE BIBLE said long ABOUT MIDNIGHT HE BEGAN TO SWEAT. GREAT DROPS OF BLOOD. >> AIN'T NOBODY HEARING ME. >> HE APPLIED IT AND THE BIBLE SAID IT FELL TO THE GROUND. HE APPLIED THE BLOOD ON THE DOORPOST OF THE WHOLE WORLD. We act like we had to apply the blood before the sun went down. No, no, no. YOU GOT TO GET THE BLOOD. AND YESUA DID THAT RIGHT BEFORE THE SUN WENT DOWN. THIS IS THE BLOOD. WE GOT IT. >> WE GOT IT. >> And about midnight, I'm going to go out there before the death. Angel passes and I'm GOING TO DROP I'M GOING TO PUT IT WITH ON THE GROUND OVER THE WHOLE PLANET. And he covered the world with that blood. Hallelujah. >> Where did we get that a lamb has to die? >> You get that when you don't have the son of God that can change water to wine. >> Oh, they fought me all over the internet for years on this data kite calendar. No. No. Cuz. He's got to die. You You You're wrong. >> You're wrong. And I'm right.
- [13:25](#) >> Listen to me. I'm right because I found out in the word looking at it. It never time says, "When I see a dead lamb, I'll pass over.". You >> said, "When I see blood, >> when I told you that I saw water on your porch, I'd stop by.". The bucket and the well and the crank was the only way to get the water. >> But I didn't tell you you got to do any of that. >> Let's read Luke 22 and verse 15. Now

Luke was a physician. Okay? And he wrote because he was a doctor. Luke understood something. He understood a medical condition. And that's why Luke wrote this because I write about that medical condition in this book. Luke 22:15. Then he said to them, now this is just before sunset, with fervent desire, I have desired to eat this Passover with you before I suffer. That's impossible. You can't have Passover before you suffer. You got to suffer first. Where does it say that? That we automatically think you got to suffer first. This establishes that he ate the meal at the proper time before sunset. The way we've been doing it for years, Tuesday night, read Matthew 26:28. Listen to what he said. Matthew 26:28. For this, everybody there. Now, this was on the 14th of A. For this represents my blood. I'll give y'all a minute to catch that. No, nobody caught it. Let's do it again. For this represents my blood. What did he say? DID HE SAY THIS REPRESENTS. My blood? WHAT. Did. He What did THE SON OF GOD SAY? THIS is the blood. He didn't say it's grape juice. It's blood. This is blood.

- [16:28](#) This is my blood of the renewed covenant which is shed for many for the remission of sins. In other words, you don't get the blood tomorrow when I suffer. I don't have to suffer to give you the blood. Oh, I SUFFER TO FULFILL THE ABRAHAMIC COVENANT. God from Zion. The verb tense, this is my blood. That's present tense. He didn't say this will become my blood one day. This represents my blood. This symbolizes my blood. He said, "If you come to this table on the 14th of a every year, I promise you you're drinking blood. IF YOU'LL BELIEVE IT AND ALIGN WITH IT, THAT. IS MY BLOOD.". >> HALLELUJAH. Mark 14. 24. We're almost done. Mark 14:24. Why don't we read it? And he said unto them, "This symbolizes my blood.". This is my blood. Where you're not dead yet. I don't have to die. I'm a prophet. He said, "If I say it's blood, it's blood. If I can walk on water and say this is my blood BECAUSE I SPEAK WHAT MY FATHER SPEAKS. Uh he SPEAKS THOSE THINGS THAT ARE NOT LIKE Abraham. Though they are blood. I got news for you. You need to quit seeing grape juice and wine. Honey, you need to identify with the blood. And that's why and I want to say something and I hope you don't. If you get mad, then you need to pray through. People have asked me to not do the common cup because of people getting sick. I want you to hear me and hear me well. I still believe that's the blood and no sickness of it can COME NOW. THE BLOOD OF CHRIST. HALLELUJAH. YOU'LL FORGIVE ME IF MY FAITH IS REAL. I BELIEVE WHAT I PREACH. If that water can turn INTO A GRAVE THE MOMENT I STEP IN IT, THEN THAT WINE CAN TURN. The blood. This is my blood. I'M READY TO HAVE PASSOVER RIGHT NOW. THIS IS MY BLOOD. HE MADE A PROMISE. He prophesied. HE WITH IT. I BELIEVE IT. OH, HALLELUJAH. WOO. I'm ready

to have Passover right now. Let's close with Luke 22 and 20. We may have just read that one. No, let's read it. Luke 22 and 20. Let's read it. Oh, blessed be, blessed be. Luke 22 and 20 says, "He said unto likewise. He took the cup after supper, saying, this cup is the restored Abrahamic covenant.". And the first Abrahamic covenant had to be sealed in blood and the death of an animal. He said, "This is that covenant in my blood, NOT THE DEAD ANIMAL OF ABRAHAM, but I'm about to GO TO THE CROSS AND GIVE YOU THE DEAD ANIMAL OF. A renewed ABRAHAMIC COVENANT.". OH, HALLELUJAH. >> GLORY. Holy unto God. >> The Bible. Doesn't say that water represents a grave. >> Romans 6 3-4 SAYS THAT THE WATER IS. The grave. >> It says we're buried with him through baptism into death. Something supernatural happens. The water becomes a grave through prophetic decree.

- [21:46](#) Listen to me and listen carefully. You listen to me and listen carefully. Yosh Oh, this is when you got to listen. Joahua was the Melchzdc high priest. Oh yes, he was a when he took THE CUP. HE WAS A PRIEST AND HE TOOK THE CUP AND BY A PRIESTLY ORDER, BY AN AUTHORITY FROM HEAVEN, HE CARRIED THE BLOOD AND PROPHESED OVER IT. AND TO THIS VERY DAY, THOSE OF US IN THE MECHANIC ORDER, WHEN WE LIFT THE CUP WITH HIS AUTHORITY IN HIS NAME, IT IS THE BLOOD. >> WHEN MY HAND TOUCHES THAT WATER, I AM THE PRIESTHOOD. AND BY HIS ORDER, THAT WATER IS A GRAVE. >> You got to know the power of the priesthood. >> Only the priesthood can turn wine into blood. >> Hold. On. Sit down, pastor. I don't know if I believe that. Then let me help you out, child. Why do you think? >> Why do you think you can't baptize your low down self? >> Why do you THINK THE BIBLE SAID Paul. When his eyes were open, he ran down and found Ananas, A PRIEST OF GOD, AND SAID, "BAPTIZE ME. BAPTIZE ME IN WATER. LISTEN TO ME.". UH THE SAME WAY UH THAT I COME TO YOU IN THE WATER IN THE NAME OF THE LORD UH IS THE WAY WE LIFT THE CUP IN THE NAME OF THE LORD. THIS IS BLOOD. >> Your job is to find out where Yahweh has placed his name and sanctioned a priestly order. Otherwise, it's just wine. >> Let me ask you something before I shut up and go home. Listen to me. How many of you would go down there? >> How many of you would go down there to some slack dunk drunk judge and ask him to baptize you? >> No, sir. >> No, sir. >>. How many would ask a judge to baptize you? >> No, sir. You know why? He has no legitimate authority in the hierarchy of the kingdom. None at all. >> He don't even have power to marry you. I'll deal with that later. >> But you listen to me. When you find an anointed people that you know WITHOUT A DOUBT UH HAS SOMETHING DIFFERENT UH THAT OTHER PEOPLE HAVE,

YOU HAVE FOUND THE MELCHZDC ORDER, THE PRIESTHOOD, THE POWER, THE ANOINTING. >> Oh. Yes. He said, "When I see the blood, I'll pass over you. When Yeshua, who is the very son of Yahweh, lifts up the cup and says, "This is my blood.". You know what he just said? I didn't have to die. I can prophesy. >> He said, "When I speak, it's the father speaking.". Oh, he said, "Anything I say, it's because the father said it.". The father said, "I am Melchzdc.". AND THE FATHER SAID, "ANYTHING THAT I CALL BLOOD IS BLOOD.". >> Oh. Yes.

- [26:17](#) Hallelujah. >> He went into Gethsemane before midnight. Let's read that. Luke 22:44. Woo. Now remember, Luke is the only one that wrote about this. Luke is the only one that wrote about this part because Luke was a medical doctor. He was very interested in this phenomenon. >> Luke 22:44. And being in agony, he prayed more earnestly. Then his sweat became like great drops of blood falling down to the ground. This condition is known as hematidrosis. H E M- A Trosis. And Luke knew what this was. It's a condition when the capillary blood vessels that feed the sweat glands rupture, causing blood to mix with water and exude through the skin. What causes this extreme physical or emotional stress, anxiety, or fear? Literal blood mixing with sweat becomes visible on the skin dripping to the ground. It's recorded in medical literature with condemned prisoners many times, soldiers that are about to face death. Luke says his sweat became great drops of blood. He didn't say that was metaphorical. He said it fell to the ground and it happened before midnight. Many people talk about when he died the next day, how blood and water came out. But you missed crucifixion number one, which was before midnight. Uh when once again blood and water came out AS THE BIBLE SAID HE WAS NEAR DEATH. >> Blood and water flowing from Yesua's body just before the death angel passes over. Listen to what he said as I close in Matthew 26:38. I tell you what, y'all missing some good books on this website. If you don't have this one, you ought to go every day and check. Cuz. I write about two books a day. Now, Matthew 26:38, "My soul is exceedingly sorrowful.". And what does he say?
- [29:29](#) Even >> to death. The Greek word is hio thanu which means the point. He was already at the same point of death as he was the next day when he dropped blood and water. So brothers and sisters our savior fulfilled the Passover requirement on the 14th of o. He gave them blood. >> And then the next day, he finished the Abrahamic covenant and gave them a body. >> Hallelujah. Thank you tonight. Give Yahweh the glory. Hallelujah. Hallelujah. The mystery is solved. Hallelujah.
