

Frequently Asked Questions

1. *How does it work?*

Each month the total of the funds received from ticket sales at £36 per year/£3 per month will be split 50:50 between the prize fund and WFYFC.

You will purchase a ticket and a number will be randomly selected for you by between 1 and 200. This number will be entered in to the prize draw every month for one year.

2. *What can I win?*

Dependant on ticket sales but the proportion will be:

1st prize 25% of monthly takings

2nd prize 15% of monthly takings

3rd prize 10% of monthly takings

E.g., if 200 tickets are sold, the total takings will be £600. Total prize fund will be £300, so 1st will £150, 2nd £90, 3rd £60.

Draws will take place by the www.numbergenerator.org on the last Friday of every month and winners will be notified by the following Friday.
