

About myself.

My name is I'm from I'm ... years old/ I'll be next month. I like pets. I've got (pets). When I was very small, I used to play a lot. Now I like helping Mum. I think I'm very helpful. I used to ask my Mum to help me with homework, but now I do it myself. I used to go to school by bus but now my Dad takes me to school in a car. My teachers say that I'm (noisy/ talkative/ calm) because I (shout a lot/ talk a lot/ don't make a noise). My friends say that I'm bossy because I always tell them what they must do. But I think that I'm calm, friendly and optimistic. I also think that I'm sporty. Last year I was at a Camp and made a lot of friends and had a nice time there. My dream is to go to a language camp next summer.
