

Automotive Lifts

The lifts being offered for surplus were utilized at the Gibson Technical Center and are still located in the facility. There are eight total lifts of various sizes and weight capacities, including one large scissor lift and two other higher-capacity lifts.

Each lift is pictured below, and interested parties have the opportunity to submit a bid on each individual lift, but are welcome to bid on multiple lifts.

To place a bid, please indicate the Bid Number (numbers are indicated below with the picture of the corresponding lift) for the lift you would like to submit a bid for on the outside of the sealed bid. All sealed bids are due no later than 3:00 p.m. on August 15, 2025, to the Reeds Spring School District Central Office.

If awarded the bid, you will be contacted on August 16, 2025, and payment will be due no later than 3:00 p.m. on August 18, 2025. Any purchased lifts must be removed from the facility by 3:00 p.m. on August 24, 2025.

The purchaser will be responsible for all removal, including disconnects, loading, and hauling. Lifts are sold as is.

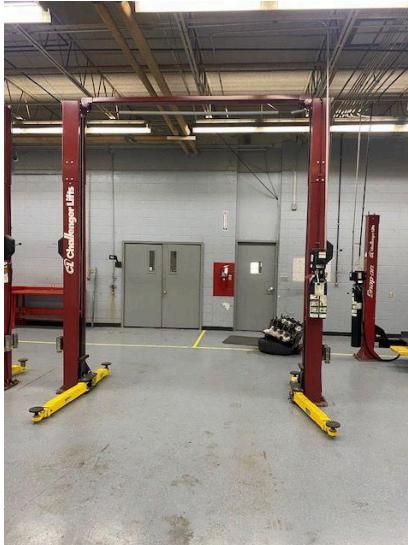

Interested parties may schedule a time to come and view the lifts by contacting Jason Reinsch at jreinsch@wolves.k12.mo.us.
