Protest guidelines for today

Thanks for joining us! Here are a few requests and guidelines for today.

1. If you didn't sign up using our Mobilize page, we don't have your email address and we can't let you know about future events! Please sign up at tinyurl.com/twwpamvsigup or use this QR code.
2. We expect high turnout today, so feel free to take a position across the street on the north side of El Camino. We'll increase the number of cars that see our signs if we cover both sides.
3. This is a nonviolent visibility action. We'll be on the public sidewalk where both customers and drivers can easily see our signs. We won't obstruct traffic, enter the business, stop people from entering or exiting the property, or commit any acts of property damage. We don't need to do any of those things for this event to succeed.
4. To get in the loop with Indivisible national, sign up at www.indivisible.org

This event brought to you by Together We Will, a long-standing Indivisible-aligned group, long-time activist, Sally Lieber, and a collaboration of other local activists.
