

Name:

Los Braceros: Strong Arms to Aid the USA - Documentary Questions

1. Why did the United States invite Braceros to come into the country? Why was there a need for them?
2. Why did Braceros want to come to the United States?
3. What was the United States looking for in a Bracero? How were they screened?
4. What were Braceros paid? Where did that money go?
5. How were Braceros discriminated against?
6. Why was/is farm work considered such difficult, back breaking labor?
7. Why was the Pacific Northwest a bad place (at least, culturally) for Braceros to come to in the 1940s?
8. What happened to most Braceros after the program ended in 1964?
