Welcome to AyurShakti Wellness Center. As you know, we are practitioners, and interns of Ayurveda. We are not licensed physicians, nor are Ayurveda services licensed by the state. Ayurveda is the 5000-year-old Wisdom of Healthy living. It is a way of natural healing and emphasizes on maintaining the harmony of Body-Mind- Spirit through diet, lifestyle, and natural herbs. In Ayurveda the emphasis is not on a disease but on maintaining the balance of individual Body Constitution, so Ayurvedic treatments are never one size fits all, but they are custom tailored for each individual need. We are primarily a training institution and the services the wellness center provide are for education purposes. As a training institution our practitioners, and interns of Ayurveda, will provide you with the following kinds of services:

- ! Body- Constitutional Analysis
- ! Diet and the Lifestyle Counseling
- ! Yoga and Meditation Practices

Our method of treatment in Ayurveda is alternative or complementary to conventional medicine. If you ever have any concerns of your Ayurvedic practices, please feel free to discuss them with us. We recommend that you inform your medical doctor that you are receiving Ayurvedic advice.

I have read and understood the above disclosure about the Ayurvedic services offered by practitioners of AyurShakti Wellness Center. I have disclosed with hem the nature of the services to be provided. I understand that the practitioners, faculties, and interns are not licensed physicians and the Ayurvedic services are not licensed by the state. I understand it is my responsibility to maintain a relationship for myself with a medical doctor.
