Letter of Reference

Name of Child:

Date:

The Bainbridge Island School District is considering a request for early entrance which means this child could be placed in a classroom with students a year or more older than this child. We expect our students to excel in our schools and we are looking for indications that this child will excel as an early entrant.

Your Name:

Telephone Number:

Position/Title & School/Program Name:

Briefly describe your relationship with this child?

How long have you know this child?

Would you recommend this child enter school early which means this child may be the youngest in the class and grade? Yes / No
