▼ TON Wiki: Apply for Reward (Русская версия ниже)

Hi! To apply for a rewards application, you need to carefully follow a point by point procedure. It is not very simple, but it is quite logical. If you have any difficulties, please contact Tim https://t.me/stop_think_ask or Ruslan https://t.me/ruusik.

Here are the steps you need to follow:

- 1. Fill out your <u>user report</u>. Here you need to specify the work you've done and wait for the editors to confirm that everything is okay and then you can move to Step 2.
- 2. Register / Sign in on GitHub and <u>leave a comment</u>. Duplicate the information from the user report in the comment.

💎 TON Wiki : Подать заявку на ревард

Привет! Для подачи заявки на ревард нужно внимательно выполнить по пунктам порядок действий. Он не очень простой, но вполне логичный. Если будут какие-то сложности, пишите Тиму https://t.me/stop_think_ask или Руслану https://t.me/ruusik.

Вот шаги, которые нужно пройти:

- **1.** Заполните ваш <u>user report</u>. В нем нужно указать проделанную работу и дождаться подтверждения от редакторов, что все ок и можно двигаться дальше.
- **2.** Зарегистрируйтесь / Войдите на GitHub <u>и оставьте комментарий</u>. В комментарии продублируйте информацию из user report.
