MORE CANON STUFF .

WHO CLEANS UP MOST AT THE DORMS?

- ☒ **woohyun** cleans up idly at the dorm; if he's just walking through the room, he'll pick up things off the ground or run things to the kitchen without much thought. out of all the chores, woohyun likes doing dishes the most, so he'll offer to do them if someone doesn't want to.
- ☒ **changmin** will actively wash the dishes and take out the trash, etc.! he won't touch anything that conspicuously belongs to someone else, though!
- ☒ **jihoon** particularly loves doing laundry and ironing, and has been doing it since they moved to the dorm and well, continues doing people's clothes till this day.
- ☒ **zhengting** cleans whatever needs to be cleaned, though he's an avid scrubber and vacuum-er. sometimes he can be a little passive-aggressive when doing his chores. he also stress-cleans, so catch him scrubbing things squeaky clean during promo months.
- ☒ insert more cleaning up canons from other members!

WHO COOKS?

- ☒ woohyun,

WHO IS **NOT** ALLOWED IN THE KITCHEN?

- ☒ jaehyun (shouldn't be allowed cuz he can't cook to save his life)

MORE HEADCANONS

- ☒ **jinwook** can handle bugs but prefers to put them outside instead of killing!

MANAGER **KANGMIN** FILES .

MANAGER **KANGMIN** PROFILE .

birth name: cho kangmin
name they prefer to go by: manager cho (but people just call him kangmin)
birthday: 900713
birthplace: suwon, sk
s/o: min hyerin - gf of 3 years
family:

- lee nabom (mom)
- cho jaram (dad)
- cho seungmin (older bro)

profession: convex's manager
education: kyunghee university graduate
zodiac: cancer
height: 185cm
weight: 70kg
instagram handle: @90kchch

FUN CANONS WITH MEMBERS .

- older than all the members, but could pass as one of them with his tall height and youthful looks
- due to their ages being close, **royal** tends to be comfortable with manager cho, often calling him kangmin-hyung and talking to him a lot as if they're friends. **royal** will also gently remind the older about his posture, claiming some health fact he read about.

FACTS .

- used to work as an intern at sphere back in the day and this is his first time as a head manager (and they gave him 13 dudes)

MORE CANONS .

- hair is always overgrown and curly, even after he cuts it.
- should be considered legally blind without his glasses.
- very shy, even after working with the members for over a year. needs to repeat himself over and over again for someone to hear him and can be easily swayed by close contact and aegyo (or intimidation if you're into that)
- doesn't have the best posture so, even if he's extremely tall, he looks smaller than he actually is, especially when sitting
- fears that members departures were his fault
