

Suggested 5th Grade Summer Reading Activity

Greetings! We encourage you to read at least one book over the summer. We know many of you will read more, and that's awesome!

WHERE TO START!

Find a Book! Here are a few links with some suggested titles by genre and age. You do not need to choose from these, it's only a suggestion. In addition, the wonderful Gale Free Library has put aside some titles to help you get started! If you don't see your chosen title there, just ask. They can help you find it or another great choice! **Be sure to join their Summer Reading Program, too!** You can keep a weekly record of your reading and earn awards!
