<input type="checkbox"/> GLE101 <input type="checkbox"/> GLS101 <input type="checkbox"/> GLS10E	<p>This student would benefit from a Learning Strategy course (GLE/GLS101) This general learning strategies course is for students with an IEP or based on recommendation from the school.</p> <p>When students take the GLE/S in grade 9 it replaces a course on their schedule (i.e., one of the 8 credits). Students can take a GLE/S course in place of BEM101 or an Arts course or Health and Phys. Ed. If the course that is being replaced is a compulsory credit (The Arts or Health and Phys. Ed.), that course will need to be taken at a later date.</p>
---	--

<p>9th Credit</p>	<p>All Programs</p>	<p><input type="checkbox"/> AMU102 (Instrumental Music)</p> <p>If you select this course, do NOT select AMU101 (same course); Choose a DIFFERENT course from The Arts or TAS101 or BEM101.</p> <p>Optional - Students MAY choose the following as an EXTRA credit. It runs all year during half of the lunch period.</p> <p>Please note that if this 9th credit is in conflict with another course, we will not be able to offer the course.</p>
-----------------------	-------------------------	---

All subjects within HDSB are taught in learning environments that promote inclusive education, and identify and eliminate discriminatory biases, systemic barriers, and power dynamics that limit the ability of students to participate, learn, grow, and succeed. All students see themselves reflected in the curriculum, their physical surroundings, and the broader environment, so that they are engaged in and empowered by their learning experiences.

Parent / Guardian Approval

Parent / Guardian approval will be sent electronically via email when the student submits courses through myBlueprint.	Parent / Guardian Email:
If email is not available, a Parent / Guardian signature may be provided:	

Course descriptions and graduation requirements can be found on www.myblueprint.ca/halton or <https://wos.hdsb.ca>

For more information about course types visit www.hdsb.ca (search [HDSB Guide to Secondary](#), page 4).

Destreamed Courses (Coded 1W)	Destreamed courses equip all students with the knowledge, skills, and habits of mind to be successful in academic or applied courses in grade 10. The Halton District School Board and the province of Ontario are moving to a de-streamed grade 9 program. De-streamed courses will replace and combine academic and applied courses. For courses not yet de-streamed the academic course will be offered.
Academic Courses (Coded 1D)	Academic courses focus on the essential concepts of the discipline plus additional related concepts. Academic courses develop students' knowledge and skills by emphasizing theoretical, abstract applications of the essential concepts while incorporating practical applications. Academic courses will be phased out as new de-streamed courses are developed. These courses are intended to prepare students for the Grade 10 academic (D) subject course, which leads to all grade 11 and 12 courses including college (C), university (U), university / college (M), and workplace preparation (E) courses in Grades 11 and 12.
Locally Developed Courses (Coded 1L)	Locally Developed (Essential) Compulsory credit courses are intended for students whose educational needs are not met by the academic. These courses prepare students for Grade 10 locally developed (L) subject courses, which leads to workplace (E) preparation courses in grades 11 and 12.
Open Courses (Coded 1O)	Open courses in Grades 9 and 10 are offered in all subjects other than those offered as Academic or Locally Developed. An open course has a set of expectations that is suitable for all students at a given grade level. These courses are designed to provide students with a broad educational base.
French Immersion/FI ALP (Code 4 for FI and Code F for FI ALP)	Students who select our French Immersion or have been accepted into our FI ALP program, are required to select the following 4 courses in the FI or FI ALP program: De-streamed French Science (SNC1W4/F), Geography in French (CGC1D4/F), French (FIF1D1/B), Drama (ADA104) or Visual Art (AVI104)
