

PRISEC
Philadelphia Region Independent School Enrollment Consortium

Common Enrollment Timeline

As part of our shared commitment to a fair and transparent admissions process for families exploring independent schools across the Greater Philadelphia region, PRISEC member schools have agreed upon the following common admission process dates:

Earliest Application Deadline: December 1

Earliest Notification Date: January 10

Earliest Commitment Deadline: February 15

If you are asked to reply to an offer of enrollment that does not align with these “no earlier than” process dates, or a personal family circumstance requires an exception to the above, here are the next steps:

- 1) Call the school that is asking you to reply earlier than the agreed-upon dates above and ask for an extension on your reply to their offer.
- 2) If no extension is granted, call the other school(s) to which you’ve applied and ask for an exception and expedited review and/or decision.
