

Dear Novian Mahayu Adiutama, S.Kep., Ns., M.Kep,

I'm writing to submit my article entitled [*Title of Your article*] for consideration by Indonesian Nursing Journal. I can confirm that [the attached article is an original piece of work and that I am not submitting it to other journals for consideration.]

[In this article, I discuss The risk of relapse that will arise in mental disorders patients can be minimized by providing appropriate treatment and support from people around the patient, especially family support. Role family very It is important to treat patients with mental disorders, because in general clients with mental disorders are not yet able to organize and know the schedule and type of medication they will take.]

Thank you for your time and consideration of my article.

Sincerely,
[Your Complete Name]

Or

Dear Editor,
Novian Mahayu Adiutama, S.Kep., Ns., M.Kep.,

I hope this message finds you well. My name is [*Your Complete Name*] from [*Your Affiliation*]. I am writing to express my interest in submitting a manuscript for consideration in the Indonesian Nursing Journal.

The manuscript is titled [*Title of Your article*] It presents findings from a study conducted in [*Location of your research*] investigating the potential benefits of [*Your article*].

I believe the findings contribute [*Contribution of Your article*]. The study aligns with the journal's mission to disseminate knowledge that enhances nursing practices and community health outcomes.

Should there be any specific requirements for submission or further details needed, I am happy to provide them. I look forward to the possibility of contributing to the Indonesian Nursing Journal and would be grateful for your guidance throughout the submission process.

Thank you for considering my manuscript. I look forward to your response.

Best regards,
