Sick visits / Medication follow ups / in Office Visits:

Range from **\$75 - \$250** depending on complexity and duration of the visit

Usually scheduled within one day unless we are away from the office.

Telehealth visits (phone text email zoom) :

Range from **\$45 - \$85** depending on complexity and follow up.

Billing :

Typically we do **Not** bill families at the time of the visit to remove the transactional nature of the visit . However you can pay at the time of the visit if you wish. We accept HSA, debit card, credit card, personal check, and a check can also be mailed to our office . You will receive a square invoice for services via text or email or mail (depending on your preference) approx 2-3 weeks of your last encounter. We are always flexible with our families and do offer reduced payment options as well as discounts for prompt payments of bills.
