

Better Jobs Ontario Education requirements

In order to pursue the second career, you have chosen, you need to understand the educational requirements, the qualifications you currently possess and what gaps exist. Go back to the previous research you did, check online and find out the requirements of your chosen career. Fill out the form. Be specific and include any and all requirements needed in Ontario.

Also document any other training that would be beneficial.

E.g. an Educational Assistant in Ontario must have a grade 12 diploma that includes certain math courses, First Aid is considered a bonus

Career you want to pursue: _____
