

Two quick things:

1. Go to **file > Make a copy** to edit and write in your stories.
2. [Be sure to get my free group conversations audio guide here \(complete with word-for-word scripts\).](#)

Story Vault

How to craft a good story:

- Details don't matter, get to the meat of the story quickly.
- Who are the people in the story?
- Where? Set the scene.
- Encounter the obstacle.
- Overcome the obstacle .
- Resolution. Was the ending strong/funny/surprising?
