

Subject: Quick thought for [Brand Name]

Hi [First Name],

I came across [specific achievement/product] at [Brand Name], and it's clear you're doing great work

I noticed there's potential to boost customer engagement through email marketing. With the right approach, you could strengthen relationships with your audience and increase sales consistently.

If you're open to exploring how email campaigns can work for you, feel free to message me happy to chat via text anytime.

Looking forward to connecting!

Best,
Daniel
