

Monaleen Camogie Club Notes

3/03/2023

Intermediates/ juniorB

Our Intermediates have had a very busy few months since January with twice weekly training sessions and a gym night on top of it. After a few challenge matches they were delighted to begin the county league.

Up first last Sunday was our Intermediates who having won the intermediate league last year were now competing with the very best in the Senior group. Their first match was against the senior county champions of 2022 Ahane.

With a depleted panel due to player unavailability, the girls really put it up to Ahane in the first 20 mins before Ahane's experience and physicality took over and they went on to win the game comfortably on a score line of

Ahane 3-12

Monaleen 0-6

Our junior Bs started their league campaign last Sunday away to Grannagh Ballingarry. The girls had a slow start and exchanged points with the hosts before they eventually got their shooting boots on and the scores started to come as they held off their opponents to take a well deserved win on a scoreline of

Grannagh Ballingarry 2-5

Monaleen 2-11

U16

Our U16s played their first league match last Thursday in the A division with a home match against Killeedy. The girls battled hard in an entertaining match and were unlucky to leave a few goals behind but it was Killeedy who were the better on the night and took the points in the end.

Monaleen 1-6

Killeedy 1-13

A total of 22 players got game time and will have gained good experience from this tough encounter.

U15

Our U15s enjoyed a challenge out in Parteen last weekend as they prepare for the upcoming County Feile na NGael on Saturday 15th April. The girls all performed excellently and got plenty of game time in a well matched contest with Monaleen taking the win in the end.

U14

Our U14 A team had their first league match postponed due to an unplayable pitch in Patrickswell.

U13

Our U13s played their refixed U14 C league match today against Mungrets second team. Monaleen playing their first ever competitive match dominated from the start and defended excellently as well as taking some lovely scores. A great start to the league for this young team .

U12

Our U12s will begin their spring league after the Easter but before that they will take part next Thursday in Caman to Munster . This will take place in Mallow and they will play matches against Feakle Kileana(

Clare), Butlerstown (Waterford), St Ritas(Tipperary) and Tralee Parnells (Kerry). We hope they have a super day out and really enjoy the experience .

U11

Our U11s took part in the County development go games day blitz on Saturday. They hosted teams from Glenroe, Galbally and Crecora and afterwards took the trip out to Ahane to play Bruff Ahane and Mungret. They had a brilliant fun day of camogie with lots of skills on display and we look forward to seeing them continue to improve with every match. Well done all. I'm sure there were some very tired girls on Saturday night.

U10,U9,U8,U7,U6

Our youngest players will start their County blitzes after Easter. They continue to train every Sunday at the clubhouse from 11-12. We look forward to seeing them in action very soon.

Castletroy College

Castletroy college Senior Camogie team had a huge victory over Lismore from Waterford in the Munster Intermediate Cup semi final during the week. They now look forward to the final after Easter.

Unfortunately the Castletroy College Junior team lost out in the quarter final in the county championship to a strong Laurel hill school team . The Junior team still have a Munster Plate final to play after Easter so best of luck to them.
