## PRODUCT: Freelancing Mastery E-Book

Who am I talking to?

Average Joe, Male, 24, Works a 9-5

Where are they right now? (pain)

Working a 9-5

Unhappy with the corporate world

Sick of his boss telling him to do things

Sick of not being able to save anything at the end of the month

Tired of not being able to live life on his terms

Tired of being treated like shit

Unhappy with waking up early everyday

Tired of not having free time to himself

Where does he wanna be?(desire)

Wants to live life on his own accord, and still continue making lots of money

Wants to travel

Wants to work from anywhere and everywhere

Wants to get out of the corporate shithole

Wants to get the respect that he deserves

Wants to show everyone that this is possible

Wants to take charge of his own life
