

Description

The Recognize A Valued Employee (RAVE) Review Program incorporates unsolicited acknowledgement of Clark County School District (CCSD) employees who have demonstrated excellence in character, performance, and service. Submissions highlight accomplishments that exceed general job expectations and focus on those who go above and beyond. Fellow employees, parents/guardians, students, and community members are all eligible to nominate an employee. More information about the program can be found on the [CCSD Team Engagement Website](#) or [view the informational flyer](#).

Some exciting changes to the program you can expect to see are highlighted below:

Core Values

- The program is now tied to CCSD's seven Core Values listed in the Focus: 2024 Strategic Plan (Accountability, Communication, Customer Service, Equity, High Expectations, Integrity, and Innovation). The CCSD Team Engagement Department created new certificates and program branding to align with the Focus: 2024 Strategic Plan.
- When identifying an individual, nominators will be asked to select the Core Value that is exemplified by the recipient.
- Nominees who collect submissions for all seven Core Values will receive a Challenge Coin.

Certificate Distribution

- Employees will be eligible to earn seven different certificates relating to each of the seven Core Values.
- Certificates will be printed and mailed to each school or site at the end of each month. Please allow adequate time for certificates to arrive.
- School administrators and department supervisors are asked to distribute certificates to recipients.

Monthly Winner

- One districtwide nominee will be selected to win each month.
- Winners will receive partner-donated incentives, such as gift cards, passes for experiential activities, and more.

Contact Information

If you have any questions regarding the program, please contact the Team Engagement Department at (702) 799-0303 or teamengagement@nv.ccsd.net.
