หลักสูตรอบรมภาษาอังกฤษสำหรับนักศึกษาระดับมหาบัณฑิต 1
สถาบันภาษา มหาวิทยาลัยธรรมศาสตร์
Language Institute, Thammasat University
Course Syllabus: English for Master's Studies 1

Course Description

This course is designed for English language learners seeking to develop foundational academic reading and writing skills. Using real-world themes from various disciplines, students will build confidence in reading comprehension, vocabulary, grammar, and paragraph writing. Students will learn to identify main ideas and supporting details, understand vocabulary in context, and skim or scan for information. Writing instruction focuses on developing clear and organized paragraphs, including descriptive, opinion, explanatory, and process-based writing. Grammar topics and sentence variety are taught in context to support writing accuracy. Each unit integrates various skills with critical thinking strategies, such as organizing ideas and making predictions.

Course Objectives

By the end of the course, students will be able to
- Plan, draft, and revise structured paragraphs across different academic topics.
- Apply reading strategies to extract key information from academic texts.
- Use a range of sentence structures and grammatical forms to improve writing clarity.
- Apply critical thinking to tasks related to academic content.

Plagiarism Policy

Thammasat University students are required to refrain from any kind of plagiarism, i.e. an act of copying other people's work, such as language, thoughts, or expressions, without crediting the original author(s). Copying any sentences or paragraphs from any sources, e.g. websites, books, etc., and pasting them into their assignments are thus considered cheating, which will result in a mark of zero for the assignment.

AI Usage Policy for Assignment

The use of AI assistance must not exceed 40% of the total content. If the AI-generated content is found to be more than 40%, the student will receive zero score for that assignment.
