## **Holocaust Resources**

A.C.A. § 6-16-1541

Arkansas public schools are required to teach Holocaust education in grades 5–12, covering its causes, events, and consequences, while promoting tolerance. The last full week of January is designated as Holocaust Education Week. Please review all materials carefully to ensure they are grade-appropriate, accurate, and reliable.

<u>K-5</u>	<u>6-8</u>	<u>9-12</u>	<u>General</u>

K-5 Resources				
Florida Holocaust Museum: Teaching Trunks – Classroom resource kits	Free trunks with grade-appropriate materials designed for classrooms or teaching teams to support Holocaust education.			
6-8 Resources				
Murals of the Holocaust – Teaching resource	Video collection featuring survivor and descendant stories, plus a teacher's approach to using arts in Holocaust history lessons.			
<u>Yad Vashem</u> – Middle & high school resources	Provides primary and contemporary sources that encourage analysis, synthesis, and contextual learning.			
<u>Jewish Virtual Library</u> – Holocaust history background	Provides in-depth background knowledge on Holocaust history for educators.			
Office of the Special Adviser on the Prevention of Genocide – Teaching resources	Historic and contemporary documents on genocide, appropriate for middle and high school study.			

<sup>1</sup> Act 611(A.C.A. § 6-16-154)

## 9-12 Resources

Center for Holocaust and Genocide Studies (University of Minnesota) – Teaching resources	Offers pedagogical scaffolding plus primary and secondary sources for Holocaust and genocide education.
<u>Holocaust Center for Humanity</u> – Lesson plans and resources	Seattle-based center providing curated lesson plans and teaching materials on the Holocaust.
Aegis Trust – Genocide education resources	Provides contextual knowledge of past and contemporary genocides and crimes against humanity.

General Resources			
Holocaust Reading / Other Resources – Annotated bibliography	Arkansas Holocaust Education Committee bibliography with a list of recommended online Holocaust education resources.		
Illinois Holocaust Museum and Education Center – Student & educator programs	Offers resources and lesson plans; some programs may have costs.		
<u>Illinois Holocaust Museum – Virtual Field Trips</u> – Grades 3–12	Synchronous and asynchronous field trips to exhibitions. Students explore artifacts and hear survivor stories while building character and civic awareness.		
Illinois Holocaust Museum – Virtual Teaching Trunks & Workshops – K–12 resources and PD	Virtual Teaching Trunks with artifacts for classroom use and professional development workshops for teachers. Financial aid available.		
<u>United States Holocaust Memorial Museum</u> – Free teaching materials	Standards-aligned lesson plans, survivor stories, and primary sources to support accurate, thoughtful		

Holocaust education.

guidance for educators.
