ABSTRACT

(Use Arial Font: 10 pt, Indent: left 0.2", Right: 0.2", Justified. Each paper must include an abstract. Begin the abstract with the word "ABSTRACT" in italic and bold font. The content of abstract written in Arial Font: 10 pt. The total number of words in the abstract should not exceed 250 words.)

Background: This section briefly explains the context of the study — what is already known and why the research is important. It could provide rationale and set the stage for the research question or problem. **Aim:** A clear statement of what the study intended to investigate or achieve to specify the main goal or research question. **Method:** A brief description of how the study was conducted, including design, participants, tools, and procedures to explain how the data were collected and analyzed. **Results:** A summary of the key findings from the study to report what the research discovered, usually with key statistics or outcomes. **Conclusion:** A brief interpretation of the results and their implications to state the significance of the findings and possibly suggest future research or practical applications.

Keywords: Maximum 5 keywords (Arial, 10, single space, Capitalized Each Word).
