Senior Dues FAQs

Why do I have to pay senior dues in order to graduate?

Whether you realize it or not, graduation is not cheap. There are significant costs associated with graduation; therefore, it is the responsibility of each member of the senior class to help offset those costs.

Do I have to pay dues if I wear a sibling's cap and gown?

Yes; dues are an obligation, regardless of whose cap and gown is worn.

Do I have to pay dues if I am dual enrolled?

Yes; dues are an obligation, regardless of your enrollment status.

Do I have to pay dues if I am graduating early?

Yes; dues are an obligation, regardless of when you graduate.

Do I have to pay dues if I do not plan to participate in any of the senior activities or walk at graduation?

Although this is rare, a waiver may be granted with administrator approval.

Do I have to pay dues if I have a financial hardship?

A partial or full waiver may be granted but you must see either your guidance counselor or Mr. McCormick.

Do you accept checks?

No. Checks are no longer accepted; you must pay either online with a credit card or with cash or money order.

What if I do not pay my senior dues?

Dues will increase on December 20, 2024 to \$85.00; then increase again to \$100.00 on April 4, 2025. If you have outstanding senior dues, you will not receive your cap and gown until your dues are paid. If dues have not been paid by May 9, 2025, a fine notice is submitted and you will not be able to participate in graduation exercises until your dues are paid.

What if I do not graduate?

Dues are refunded upon request.
